

SIDEWALKIN

down by the light
the other night
I'm have myself a brew

when come along
a steamy song
tight skirt and feathered 'do

just swing them hips
and purse them lips
while silky passin by

a pretty thing
whose body sing
and face bright up the sky

i stand a spell
cinch in my belt
and brushen off my slacks

kick out my wings
tuck in my things
and strut it to the max

i was sidewalkin

now first this dish
do make me wish
i crawl me in a hole

with glance so cool
i feel a fool
sweep up my shattered soul

but little g
he tuggin me
to give the college try

this pretty thing
who body sing
and face bright up the sky

with gumption paste
across my face
I drop my chilliest line

and i'll be damned
if she don't slam
the brakes run up my spine

i was sidewalkin

forward to the night
our date in sight
i pick her up at nine

she lookin stack
front, top and back
and face bright up the sky

to dine we head
and after fed
a hoppin joint to dance

we movin smooth
in our own groove
and bout to take a chance

the case highlight
late on the night
a tumble in the make

she over me
i'm all in she
and room about us shake

our first time done
the second, fun
and round the post for three

she most elate
euphoric state
did shout the board with glee

in time she spoke
mulled on a smoke
and smiled her satisfy

she think i'm done
in three, two, one
but little g ain't shy

come morning sun
my quit know none
a record-settin pace

an all-time high
I touch the sky
and do bright up her face

when last we knew
and bid adieu
she exit with a sigh

with saunter sleek
and rosy cheek
she strollin on the sly

she was sidewalkin
