I am come alive  
Such an apt arrive  
Creature of design  
Don't believe the lie

Still, so still  
I am still so still

Count the beasts arrive  
Undermine the sky  
Watch their shadows fly  
Wish on us goodbye

Still, so still  
I am still so still

Chance betray third eye  
Don't forget deny  
Time to face no lie  
Peer beyond awry

You are still unstill  
We are still unstill
